ATTENTION: ACTIVE + RETIRED LAW ENFORCEMENT PROFESSIONALS

We've all heard it in the news: Athletes, celebrities, and ordinary people getting behind the wheel after having too much to drink and ultimately getting arrested. It has caused people to lose their careers in addition to having the stigma of a criminal/arrest record. Ladies and gentlemen, it's time to change that and to actually prevent it from happening in the first place!

Safe-Ride-Solutions (SRS) is a well-established designated driver service which allows for the client to enjoy themselves while not having to worry about any repercussions of an alcohol related traffic incident. It provides safe and reliable transportation to and from the entertainment venue for the client(s) using their own vehicle.

This service **DOES NOT** involve the exercise of police powers nor does it involve acting as a bodyguard or security professional to the client(s).

If you are interested in helping to prevent alcohol related traffic offenses and make some extra money at the same time, please visit them on the internet at <http://www.callsrs.com> or <http://www.saferidesolutions.net> for more information about the program. Web-based applications for employment can be found on the web site's employment section. No resumes are required. Pay rates start at \$30 per hour at a 6 hour minimum for Safe Rides, frequently running for 2 hours.

JerryHara@SafeRideSolutions.net can answer specific questions via email. **IF YOU ARE AN ACTIVE LAW ENFORCEMENT OFFICER, PLEASE MAKE SURE TO FOLLOW YOUR AGENCY'S POLICIES AND PROCEDURES REGARDING OFF-DUTY EMPLOYMENT!**
